

Discovery Tours

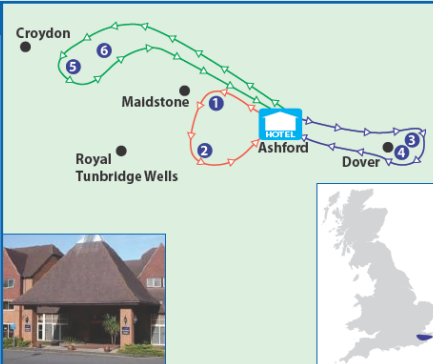

Scots-American Travel Advisors is proud to introduce an exciting new concept in car touring holidays – build your own tailor made tour of Britain.

Mix and match any combination of 3 night modules to see the best of Britain at great value for money prices.

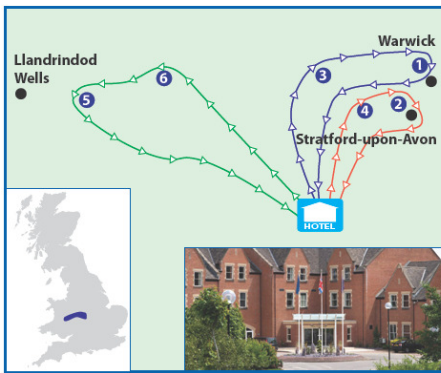

Every 3 night module is based at a single selected quality hotel so that you are not forever packing your suitcases to move from one hotel to the next. Instead we have included 3 one day touring itineraries from your hotel each featuring the best of what to see and do each day. The daily touring itineraries feature at least two attractions which are included in the price of the Discovery Tour.

Every Discovery Tour includes:-

- 3 nights at a 4* hotel with full English breakfast
- 1 x three course dinner at hotel
- 4 day hire of compact manual rental car including CDW & TP (upgrades available)
- Recommended touring itinerary for each day
- Admission to all attractions featured in daily itineraries
- Additional night options
